

Jorge Domínguez Carrión

Sports Management & Operations Expert

Sports Management

About Me

Results-oriented professional with extensive experience in **leading** international sports programs and managing complex, multi-stakeholder projects. Skilled in coordinating operations and aligning initiatives with global development strategies, committed to achieving **impactful results** through collaboration and strategic planning.

My background spans **anti-doping**, **major sports events**, and **academic research**, with a strong focus on sport's role in social impact. With high intercultural competence, digital fluency, and a strong commitment to **education**, I bring a strategic and collaborative approach to driving sustainable development through sport.
